

Earlier this year, Dr. Logan announced his retirement as the Wyoming State veterinarian. While his retirement is a true loss for farmers and ranchers across the State, no one is more deserving of a happy and joyful retirement. I want to offer my deepest congratulations on a successful career. It is my privilege to recognize Dr. Logan's achievements and honor his induction to the Wyoming Agriculture Hall of Fame. Wyoming is grateful for his decades of service and respect the personal sacrifices that were made for the State.

Dr. Logan, your contributions and dedication will always be remembered. As you start your retirement, you can be proud of the work you have done, but also know that you still have a long ride to enjoy. Happy Trails.

##### RECOGNIZING THE AMERICAN BAR ASSOCIATION HEALTH LAW SECTION

• Mr. CASSIDY. Mr. President, in 1996, the health law section of the American Bar Association was created to enhance the practice of health law and improve the understanding and development of Federal and State health laws and regulations. The members of the ABA health law section represent all aspects of the healthcare and life sciences industry, comprising a diverse group of lawyers in the private sector, government service, and academia. The health law section provides thought leadership on all issues within the healthcare industry and advocates for sound public policy. In addition, its members have played prominent roles in developing programs to train advocates for victims of breast cancer, in providing pro bono legal services to individuals through medical-legal partnerships, and in seeking improvements in the delivery of mental healthcare and treatment of substance use disorders.

I ask that the Senate recognize the tremendous accomplishments and contributions of the members of the American Bar Association health law section and extend its best wishes for many years of continued service to the healthcare and life sciences industry.●

#### TRIBUTE TO BUD OLSON

• Mr. DAINES. Mr. President, today I have the distinct honor of recognizing Bud Olson of Teton County as Montanan of the Month for his service to our country during World War II.

Bud was a member of the 82nd Airborne's 325th Glider Infantry Regiment, which participated in Operation Overlord, better known as D-Day. During that fateful operation, the 325th Glider Infantry Regiment sustained many crash landings, including Bud's glider.

Bud was the sole survivor after his glider crash landed. Following this

tragic event, Bud went on to help secure the bridge in Sainte-Mere-Eglise, which was the first village in France to be liberated by the Allies. Bud continued his service in campaigns throughout France, Holland, and Belgium and took part in the liberation of the Wobbelin concentration camp.

Military service has always had an influence on Bud. He is a 60-year member of the Choteau American Legion. For many years, Bud had "D Day 44" on the license plate of his car.

After the war, Bud returned to Teton County where he and his wife, Vi, worked the family's ranch outside of Choteau and has been an active member of his community. He served as a Teton County commissioner for 15 years, from 1965 to 1980. Bud has been an avid supporter of Choteau School District's athletics program, attending games in town and even traveling to cheer on his beloved Bulldogs.

Bud celebrated his 100th birthday on July 29, 2021. In celebration, Choteau Mayor Chris Hindoein declared it "Bud Olson Day." Residents were encouraged to fly flags in honor of Bud and to wear maroon and gold acknowledging his support of the Bulldogs.

Bud epitomizes the heart of a veteran—a Montana hero—whose selfless service will not be forgotten. On behalf of a grateful nation, I want to thank Bud for his service to our country, and I wish him a very happy 100th birthday.●

##### RECOGNIZING THE SLCC MEN'S SOCCER NATIONAL CHAMPIONSHIP VICTORY

• Mr. ROMNEY. Mr. President, I rise today to recognize the incredible athletic achievements of the Salt Lake Community College men's soccer program. This past season, their hard work and collective determination earned them the NJCAA Division One national championship title following a thrilling overtime victory in the final match.

The Salt Lake Bruins accomplished this feat after an undefeated conference season, tallying an ultimate record of 16-1-1 under the impressive leadership of Mark Davis and the entire coaching staff. On their path to the final, the Bruins were crowned champions of Region 18, West District, and the Scenic West Conference.

On June 10, 2021, Davis and his talented squad of young athletes, a union of Utahns and international footballers proudly representing the Bruins banner, faced top ranked Iowa Western in the final. Despite conceding early, the Bruins clawed back thanks to a sensational left-footed strike by Ryen Jiba. In overtime, Paul Richnow headed home the game winner to deliver the program its first ever championship trophy.

Champions are forged by years of supreme dedication to individual and collective improvement on and off the pitch. These athletes of diverse back-

grounds demonstrated their ability to excel as one team, and they should be immensely proud of their accomplishment. For their efforts, Bruins players and coaches earned numerous accolades, including Mark Davis being named SWAC and West District Coach of the Year, as well as Coach of the Tournament. His staff, including Cassie Ulrich, Ty O'Connor, and Jordan Carver, earned United Soccer Coaches Staff of the Year and four All American selections. Sophomores Levonte Johnson, Samuel Owusu, and Paul Richnow were named NJCAA First Team All Americans, and Richnow also earned MVP of the National Tournament. An additional 12 players have committed to playing at the NCAA level.

Individual performances and accolades are built on the strong foundation of a great team. Recently crowned champions also include freshman Jose Arellano, Christian Olivares, Daniel Tareke, Mason McRae, Taimu Okiyoshi, Jermaine Muirhead, Sergio Martinez, William Greener, Negue Kante, Santiago Delfino, Ethan Coleman, Hogeun Jee, Kai Phillip, and Samson Ahisu. Sophomores also include Omar Gomez, Freddy Cano, Brandon Cervantes, Jason Chavez, Andres Bermudez, Azriel Johnson, Johnathan Castro, and Rafael Calderon.

I extend my congratulations to the entire SLCC men's soccer program for their historic season and wish them the best of luck in their continued athletic and academic pursuits.●

#### TRIBUTE TO ROGER BEGIN

• Mr. WHITEHOUSE. Mr. President, I rise today to recognize a constituent and friend, Roger Begin. Roger serves as the Honorary Consul of France in Providence. In September, the French Government will award him the Legion of Honor, the country's highest order of merit, for his long and distinguished career in public service. I congratulate Roger on earning this recognition and thank him for his many contributions to civic life in Rhode Island.

As the Honorary Consul of France, Roger is a liaison to the French Government and helps Rhode Islanders with passports, immigration, and other government business. Roger previously had a lengthy and productive career in public service. A son of Woonsocket and graduate of CCRI and Bryant University, he was elected to the Rhode Island House of Representatives at the age of 19. After serving several terms, he went on to win election as Rhode Island's general treasurer and then Lieutenant Governor.

I served as legal counsel to Governor Bruce Sundlun during tumultuous years of crisis and reform, while Roger was Lieutenant Governor. Serving in government in times of crisis is a bonding experience.

Outside of his time in government, Roger has served on the boards of many mission-driven organizations in our community. From the Meeting
